

Scapegoated and Buried Alive

The NCPCF Campaign To Free Political Prisoners

Support our Muslim sisters as they protest how the Justice Department turned their relatives into political prisoners and buried them alive in federal prisons.

Friday, May 3, 2013 • 3:30 to 5:30 pm

in front of the U.S. Department of Justice, 950 Pennsylvania Avenue, NW • Washington, DC

Hear their stories. Demand accountability. Insist that all political prisoners be released.
